about the different push and pull forces.

Go for a walk with an adult to a playground. Look at all the equipment think about the different pieces of playground equipment and whether they use a push force or a pull force. Draw 3 pieces of equipment e.g swing, slide and monkey bars in your book and label whether you think it is a push or pull.

might be, the bath, shower, drinking, washing machine – think of as many as you can.

- Write 2 columns in your workbook with the heading
  1. Place I saw water
  2. How it was being used.Draw a picture for each of the ways that water is used.
